In over thirty years of service to youth through her school work, Margaret Ward has vividly defined the meaning of dedication. Her abundant cheerfulness brightens each day for those around her, as she willingly assists the students and adults who come into the office. No request is ever too trivial for her to give up her time and attention. The students and staff dearly respect and admire Miss Ward for sincere friendliness combined with her devotion to duty.

Although her working hours end at 4:00, she often works late to prepare special reports on young people in order that they may have a greater opportunity to win scholarships and awards. She is never too busy to help some aspiring student secretary cut a stencil or prepare a notice. Likewise, she diligently guides many a new and bewildered teacher over the rough periods.

Miss Ward attends most evening school sports events and school productions, for the activities of the students are of the greatest interest to her. If one person were to be selected as the epitome of Poly High's excellence in action, Miss Ward, through her enthusiasm and charm, must be that person.

Miss Ward is Secretary to Poly's Principal, Neil W. Philips.

Margaret Ward

DEDICATION

FOREWORD

Everyone has certain goals in life. Some strive for the ultimate in perfection, while others are satisfied with mere minimum achievements. Whether we are aspiring toward the highest goals or seeking lesser gains, we are all aiming for excellence in order that we might create a better world. Since achievement is our aim, we have chosen excellence in action for our theme.

Excellence can be obtained only through self-discipline, sincere determination, and diligent application. As we have seen through the year, excellence is achieved through the setting and attaining of high goals.

Throughout the school year we have seen definite application of excellence in both the areas of scholastic achievement and in the field of athletics. Various forms of open recognition, such as scholarships, merit certificates, and awards have been presented to outstanding students in numerous fields. We have again this year attained high honors in the field of athletics. We are proud to be recognized throughout Southern California as the champions in most of the athletic fields. Even though it has not been possible to give personal recognition to everyone for his endeavors, it has been illustrated time and again that a great number of our students have excelled in many different ways. Our school could not function properly without the active participation of each individual striving toward his or her own level of excellence.

We look to the future with optimistic visions of fulfilling our desired goals of perfection and excellence. It is our sincere hope that future generations will uphold, and even go beyond the standards that we have set. We hope, too, that future goals will not prove ephemeral but will be realized through excellence in action.

Jeanie Ellie

| AUTOGRAPH SECTION | 196 |

Outstanding achievement should be shared, not only to salute the benefactors, but also to act as a spark of inspiration to others who are still working toward an unrealized goal.

A goal is the keynote to success.

Ambition and hard work are important and vital,

but a goal is the compass by which we steer our course in the journey of life.

Throughout the Awards section you will meet students who have given some part

of themselves to academic and extra-curricular activities

We feel that these students are truly award winners

from their demonstrations of conscientiousness and scholarly interest.

Congratulations to those who have reached this horizon of accomplishment on their journey into life.

The Caerulea staff is especially proud to present the 1960 Caerulea Awards. These awards of merit are determined by the members of our faculty

in the various phases of our high school curriculum.

We feel that these students in their respective fields

have attained the essence of our theme ----

Excellence in Action.

Potential Sealbearers

Attaining the Sealbearer honor is the highest scholastic recognition given to California High School Students. Potential Sealbearers, who are able to gain one more semester of scholarship by the end of their senior year, giving them a total of four semesters of membership, will be able to have the seal of scholastic achievement adorn their diplomas. To achieve the lamp pin and the seal on the diploma should be the goal of every high school student, the California Scholarship Federation offers these awards as a symbol of accomplishment and excellence in academic pursuits

Chapter 22 of the California Scholarship Federation has enjoyed many activities this year. As a group they were honored at a Scholarship Honors Day at Long Beach City College. They have also been on Field Trips to Redlands University, Exposition Park and Museum, and the University of Southern California. At the annual Awards Banquet, which was held in April, seventy six Sealbearers were honored. Twenty two Potential Sealbearers were also striving to receive gold seals on their diplomas by June

SPECIAL AWARDS

GEORGE TRACY

The Outstanding Teacher" of the state of California is our own George R. Tracy, Long Beach Polytechnic High School physics instructor. He was nominated by a UCLA student and chosen by a faculty committee, and received a 600 dollar reward at a function ceremony at the UCLA Faculty Center, Friday, April 29, 1960,

Tracy was one of five teachers chosen from schools all over the state. One hundred sixty teachers were nominated by UCLA upper division students who had attended the public, private, or parochial schools of this state. Ten finalists were chosen and they were observed in action by a member of the faculty committee. Ten teachers were selected on the basis of their contributions to the preparation of students for university careers.

Embraced by a spirit of enthusiasm, Poly's Student Body strives to uphold the traditions which have resulted in the name -Home of Scholars and Champions. Our dream of excellence in all phases of campus life gives us goals to aim for in confidence. Our scholarship, athletic and Z organizational activities were all created to give us opportunities in the classroom, in the sports arena, and on the campus, to learn about life through rich and varied experiences. Our goals have been high, our experiences have been many, the spirit which embraces these is a part of all of us ---Excellence in Action.

STUDENT GOVERNMENT

Student Body President Fall Semester

FAITH ZINK

Faith Zink did a commendable job during the fall semester as the second girl Student Body President in Poly's history. Faith has represented Poly as a Girls' State Representative, Buffums' Young Careerist, President of Poly Picture Loan, Sealbearer, and Senior Class President She is a member of Port a and Scarabs. Faith has received her Two Jeweled L and her Minor L 'n GAA. A four year leadership scholar ship from the University of Southern California has been awarded to her, and she plans to earn her teaching credential and degree from her college training.

The Student Government class has been very active this year and has introduced many new policies to better the school's present program. A new Constitution has reorganized the Poly student body in enabling more students to be active in student leadership. The Campus Control Committee has been instrumental in establishing a tradition which will continue throughout many years. A new activity was introduced in the spring semester which he ped to acquaint many students with the teaching profession, this was the Student Faculty Day which is going to become an annual activity. An orientation movie for incoming sophomores depicting life on the Poly campus was completed which featured all phases of campus activity. Also, to further Poly's publicity, a magazine article was introduced to many of the national magazines to acquaint the community with the Home of Scholars and Champions.

Among the routine activities of the Student Government class are the council and commission meetings held every Wednesday and Thursday respectively of each week. These meetings are instrumental in bringing about the many new activities and programs to the student body

The Student Government class of 1960 wishes to extend to Mr. William Miller, the Director of Activities, their gratitude for his unceasing efforts in making the 1959-60 student government a successful function on Poly's campus

GIRLS LEAGUE

Fall semester, the Girl's League was led by President Pennie Capen. The semester began with the annual New Girls Party heid for all new girls coming to Poly. One of the biggest undertakings of the semes ter was the Girs' League Pizza Party. This was the first time Girls' League has ever sponsored a pre-game activity in the evening. Because of the success of the Pizza Party, Giris' League is in hopes it will become a tradition at our school. Equally successful was the Girls' League assembly which serves to familiarize all girls at Poly with the functions of Girls' League. The Spring semester was ied by President Sherry Jones Under Sherry's leadership, Gins' League held the annual Porter Day in conjunction with Hi Day which was concluded by the Backwards Dance. Its theme was "Paris at Poly." Miss Zelsdorf served as Girls League sponsor with Berbara McMichael, Judith Row lett, and Ruth McConnell

Boys' League is an organization in which all boys enrolled at Poly have a membership. As a student body organization the Boys' League has three main objectives: it endeavors to develop student leadership, to promote athletic and social activities on campus, and to render service to the school and to the community. During 1959 60 the Boys' League participating membership grew in both size and spirit. All the events that they sponsored, from the Intramural Sports Program to the sales of programs at the games, were very successful.

CAERULEA

Since early in the year the Caerolea staff has worked diligently to produce this 1960 Caerolea. They have strived toward exce lence in the highest degree

In the Caerulea classroom staff members learn about the technical aspects, such as methods of producing yearbooks, writing copy, making ayouts, and organizational functions. Yearbook production is a dynamic learning situation that combines the techniques of journalism with lessons in understanding human relations in an educational environment.

Our book could not have been produced without the kind and loyal assistance of many besides the staff, who he ped to produce this yearbook. The staff expresses its deepest thanks and appreciation to the advisor. Mr. Don Jirich, for his persistent efforts and assistance, Mr. Carl Johnson and Maxine Summer in of Martel Studio for the Photography, Ne son's Engraving House, Nick and B. Edwards of Queen Beach Printers, S. K. Smith Company for the book covers. Bookbinders Company, the Independent Press Telegram for many exceptional photos, King's Pet Shop for the use of Chester who is featured in the Senior Section, the High Life staff writers, and Mrs. cave, e Hays and Miss Marge Smith for their patient and unending help

YEARBOOK PHOTOGRAPHER Mr. Carl Johnson

Enthusiastically scurrying about to produce an interesting and informative newspaper are the journalism classes of Long Beach Polytechnic High School. They have contributed 16 issues of commendable reading material concerning current events, feature stories, society, and athletic achievements plus one literary issue to the student body.

Consequently striving for an improved and entertaining literary achievement, the students select editorials that they feel informative and character building. Numerous candid photographs illustrate and beautify the stories. The processes of proofreading and constructing dummy page plans are necessary before the strenuous and time-consuming responsibility of engraving begins

The next duty of the students is to distribute the copies to the faculty of other schools and individuals affiliated with journalism. They, also sell High Lifes to our student body.

The journalism classes are instructed by Kenneth S. Jensen, assisted by editors Mitsuye Hamada and Bob Bruning, who recently planned the annual banquet of the journalism classes in commemoration of lits past achievements

HIGH LIFE STAFF

Homecoming Queen-Lavonne Hyden

Princess Virginia Minick

Princess Cherianne Brown

A fanfare of trumpets . . . the hush of the crowd . . . an excited gasp . . . a few happy tears and a smiling face the Homecoming queen is crowned. For her, a moment that will be forever and for Poly the high point in its Homecoming Day celebrations. Miss cavonne Hyden reigned as Queen with her four senior princesses. Cherianne Brown, Virginia Minick, Pat Perry, Sharlene Shiba. Their escorts were: Dave Schinnerer, Rick Van de Water, Mark Reichner, and Dan Bond. The Queen's escort was Ralph Ridgeway.

The 1959 60 Homecoming Queen was lovely Lavonne Hyden. She has held the offices of Secretary of Sophomore, Junior, Senior classes, and Commissioner of Weifare. Lavonne is a member of Scarabs and Masque and Sandal. Her future educational plans include Long Beach State College.

"Oh no, not me!" Now, really!!! Homecoming Queen Lavonne Hyden screams as she is officially crowned queen of Poly's 1959-60 Homecoming Festivities. Sharlene Shiba, Virginia Minick, Pat Perry, and Cherianne Brown look on

Senior crass president Ralph Ridgeway seems to be performing all his duties with all the assurance and aplomb of an official cape hanger

HOMECOMING

Princess Sharlene Shiba

Princess Pat Perry

Jack Dilday, Karen Wood and Leon Richman get the "Autophosis" off to a rolling start with a customized M-G "T.C." which was kindly loaned to the gallery by Mr. Frank Manson, a prominent member of the Long Beach M.G. C. ub. The "Autophosis" is a non-compet tive car show featuring top customized cars owned by members of the student body and persons kind enough to lend their cars for the show

The atomiun, symbol of the Art and Science Show is a reputa of the one featured at the World's Fair in Brussels A Time-Line, which featured periods of great inventiveness in art and science, attempted to show the relationship between artistic and scientific endeavors down through the ages

the world

The Howard Ricks Memorial Art Gallery is designed to bring a better understanding of art values to the students of Poly and the residents of the community through the medium of advertising art and displays. The galiery was honored again this year to present the only showing in southern California of the International Red Cross Art Exhibit. This exhibit features outstanding works of art by high school students from all over

Autophosis, a display of customized cars, was once again

This year Poly High was fortunate enough to have the Inter-national Red Cross show in the Howard Hicks Memorial Gallery. The pictures featured in this show came from all over the world and were on display for all the students to see. The theme of "Increased Understanding Through Art" was very appropriate for the display of international ideas. (Across page, left photo.)

The most loyal of Poly's rooters the late Pop Hyde - is remembered in the Gallery's first show of the year, the "Rah-Rah Show!" (across page, right photo.)

Gallery Directors

Student Director of the Art Gallery during the fall semester was Carol Garrigues, while Karen Wood and Sally Reed were co-directors during the spring. Under Elsa Warner's excellent guidance each show proved to be a tremendous enterprise and overwhe ming success. Seated, from left to right, are Misses Wood, Warner, Garrigues, and Reed.

Front row, left to right: E Egbert, N. Wittiams, K. Richey, C. Staughter, V. Ervin, N. Lewis, B. Ohi.

I don't get it! Why the shower cap . . .??? Pictured below is a typical backstage scene of one of our talent show assemblies. 1920 girls wait for their curtain call. By the way what are Mulligan and Levy doing wandering around backstage? Half time do you suppose?

"... and to think, this is only a 48 when it should be a 50!!"
Gir's in the Costume Construction class somehow get spring Easter fashions and stars confused but we know from their fine stage costuming this past year that they always keep their stitches straight

"Hey, Ellerman, dig these sombre sheep in church!" Stage hands add final touches to the manger scene for the Christmas pageant

STAGE PRODUCTIONS

The students on the Stage Crew and Stage Design serve as the men behind the scenes for our many assemblies and special programs. They handle the lighting, building of scenery, and all the mechanics of a stage production. The stage classes are headed by Mr Clyde Ellerman who gives the members special training for their various jobs

The Costume Construction class, under the direction of Clara Cramsey, makes all of the costumes for school productions. The Makeup classes do the makeup for the Christmas Concert, One act plays, and the Senior Play. This class is under the direction of Judith Barnes.

STAGE CREW -- Front zow, left to right: J. Treadway, P. Solorzano, A. King, J. Tucey, V. Eng, K. Williams L. Lee, D. Bennett

BAND

Blaring trumpets, sliding trombones and beating drums. Hall to Poly's band and orchestra at games, parades, and concerts. All praise to the leader, Mr. Robert Dill, who inspires them to spend hours in practice and preparation, thus producing excellent performances and leading spirit for the activities of Poly's tackrabbits.

Each band student participates in several musical activities

during the school year. In the fall, the band planned outstanding football game half time performances with the Polyettes. This year Poly spent \$8600 outfitting the band in beautiful new white uniforms with green and gold frim. The Poly Jackrabbit Band was honored this year to act as host of the Al Western Band Review held in Long Beach.

Poly's band and the Polyettes roll out another outstanding halftime entertainment during a Moore League football game at Veteran's Memorial Stadium

CHORAL SOCIETY

"Black, black is the color of my true love's hair. Her lips are — da, da, de, dum." These strains of melody and verse often came floating through the windows of room 202 where Mr. Robert Collins makes beautiful choral music with the chorus groups at Poly. And what a list of presentations these groups made in public!! They included such things as the Christmas Concert for students and parents, the colorful and outstanding Spring Concert, and the All-City Senior High Orchestra Festival

The Madrigal Singers an expressive and spirited singing group, often sang in public and one such showing was during the Spring Sing with their rend tion of the 'Peanut Vender' During the Senior Play "Time Out for Ginger, they established the mood of football games and schoolishness by singing some of Poly's own pep songs.

It is without saying that the Choral Groups of Poly have brought honors and considerable enjoyment to the students and community.

The people who work behind the scenes to keep our school running smoothly are the unsung heroes of Poly. The assistants in the counselors office, the library, the bookroom, and the student store are to be commended for their excellent service to Poly. We also commend the print shop for their excellent printing jobs on the school publications, and the audio visual assistants for supplying the sound equipment to many of our classes.

Student Store

STUDENT STORE -- from left to right: B. Alvarado, M. V dosola, D. West, Marge M. Lohmeier, advisor

To teach and guide our students is a challenge which our Faculty meets each day. FACUL By leading our students to the fountain of knowledge they have opened up new fields of thought, brought them deep satisfaction of accomplishment, and inspired them to continue their search for Truth. As pupils, we may show our honest appreciation by living up to the ideals and pursuing the quest for knowledge which these patient scholars have put into action.

The infinite responsibilities of Mr. Philips include enforcing regulations, supervising and evaluating personnel and curricula, as well as coordinating, supervising, and evaluating auxiliary services. Numerous efforts are also exerted toward improving parent teacher and public relations. Because of his humanitarian instructs, he has been credited with much of the success of our athletic and scholastic associations.

His personal interest in each student has been recognized by the Board of Education as a great asset. The direction Mr. Philips provides in relation to the education, personnel, and faculty of Polytechnic High School has helped to build our student body into an efficient and honored organization.

Mr. Philips, a very respected and admired personality on Poly's campus, has set an example for all to follow. Serving as an Ambassador of Good Will, Public Relations Chairman, Organizer of School Functions, Enforcer of Regulations, and Friend, he has proven himself to be the true embodiment of excellence in action

Under the capable supervision of Our Vice-Principal, T. Ross Wattelet, Poly's assemblies, Public Schools' Week activities, commencement exercises, and special educational trips have been the very finest. The never-ending rob of working with the senior boys in regards to problems of attendance, conduct, and personal problems is only a portion of his administrative functions. During the past year Mr. Wattelet has made considerable strides toward improving the operation of our school, and thereby has established an excellent standard for faculty and students to follow. Thanks, Mr. Wattelet, for a difficult job well done!

ROSS WATTELET
Vice-Principal

ADMINISTRATORS

WILLIAM CARLS
Assistant Principal

LOIS ZELSDORF Assistant Principal

ROBERT BOTTS
Assistant Principal

As an example to the student body, William H. Carls has carried out his duties during the past year efficiently and conscient tously. Mr. Carls has the assignment of helping the sophomore and junior boys with personal problems regarding cooperation, conduct and attendance in addition to this time-consuming task he supervises the hall and grounds, attendance and lunch permits, and often assists in athletic contests.

Coming to Long Beach Poly this year for the first time, Lois M. Zesidorf, Assistant Principal, has captured the hearts of a Polyites. Supervising the Girls' Physical Education program, sponsoring Girls' League, and taking charge of transfers, discipline, attendance, and permits for girls are among her many duties. Miss Zelsdorf exercises her duties in a very professional way, yet she is personable and a natural leader of girls.

Among the duties of our busy Assistant Principal, Robert El Botts are such things as planning the aster Schedule, coordinating instruction and supervising Audio Visual services. Other responsibilities include the textbook distribution system, the popular Driver Training program, and much of the paper work and detail which is so vital around such a large high school as Poly. Mr. Botts is a behind-the-scene man but we know from the effect veness of these operations that he is a very capable and energetic organizer.

Ernest Ladd Head Counselor

William Miller
Activities Director

The counseling service is an invaluable facet of campus organization and has Dr Ernest E. Ladd as its head. In carrying out his varied duties our Head Counselor has directed the interesting career information program which gives students a chance to explore different professions. Dr. Ladd's department also supervises students entering in competition for scholarships and other special awards. He works with interested students in gaining part time employment and job placement.

Coordinating our complex student activities is the efficient and personable William M. Miller. As the teacher of the Student Government class, Mr. Miller has guided our officers in intelligent and effective leadership during the past year. This capable instructor handles one of the most complex activity jobs in the Poly administration. We owe him many thanks for his excellent guidance

Helen Zarifes Hansen SOCIAL STUDIES AND ENGLISH In our present age of research and space exploration electronics is a vital subject. Here at Poly fundamentals in electronics, radio repair and amateur radio demonstrations are just some of the basics learned by Poly boys. Pictured below are students who are learning to use the delicate instruments which are used in testing electrical currents and electronic components. Mr. George Wilson, Poly's electronic instructor, operates a well-organized and complex laboratory which has taken several years to develop

The Electronics Service Team, composed of advanced students, has repaired nearly one hundred radios this past year. It has also participated in three field trips: members visited the NBC colored television facilities, the Dumont Cal Video plant (manufacturers of television tubes), and the General Telephone Company of Long Beach

Front row, left to right: J. Anselmo, D. Price, L. Baker, M. Aschieris, D. Davidson, W. Blackburn, E. Tighe Second row: G. Grandle A. Duke, M. Nowell, M. Kent, S. Shinn, F. Kingsbury, J. Ely, H. Savitz, V. Sutton, L. Murray Third row: M. Treiber, O. Pickett, R. Adams, M. Hilts, E. Hayden, L. Still, V. Brothers, W. Walkington, M. Watwood, R. Swartz

Dad is it sick or hungry? This perplexing question has no doubt been asked by many visitors to Poly's Gallery and the enigma of the sculpture still remains unanswered. This obliging talker appears desirous of having his son appreciate all the instand outs of modern art.

Parent-Teachers Association

"— — and a seal's flippers look like this!" To a student of art there is a definite relationship between this animated father and this manimate object (stabile, to those in the know!). But to the Hicks Galtery and Poly's Open House it is just a typical scene of parents getting acquainted with their offspring's teachers in a very pleasant evening of conversations about "my son" and "my daughter,"

Cafeteria Workers

This year Poly's outstanding basketball team rose from an unheralded squad to Southern California's 1960 CI.F. Champions. This great standard of excellence once again showed the finest Jackrabbit tradition of Athletic Supremacy.

Throughout the history of mankind, the necessity of competition has been expressed in one form or another. A man pits his strength against the forces of nature or his fellow man in order to achieve some desired goal. He trains his body to its highest physical capabilities in order to catch that one fleeting moment ш which separates victory from defeat. For, through athletics and sports, one finds a mirror to life where both Victory and Defeat are ever-present realities. But, through Victory, man expresses his greatest achievements, and with a tradition of these achievements a standard of Excellence is established.

Award of Merit! Mark Reichner, Willie Brown, and Vice Principal Ross Wattelet proudly display the 1960 C.I.F. basketball trophy won by Poly's championship team under the spirited leadership of Coach Bill Mulligan

VARSITY GRID COACHES

Excellence is an inadequate word for the
ob done by Poly's trio
of grid mentors. Under
the guiding hand of
Head coach Dave Levy,
Backfield coach Bil Mulligan, and Line coach
Maury Ross, the speedy
Hares were able to meet
and beat every opponent
with a definite advantage fine coaching.

ALL AMERICAN PREPS

Our proud All-Americans Willie Brown and Mike Giers were all smiles upon being named by Scholastic Magazine's National poll. Hare swifty "wee" Wille set a new long Beach rushing record of 1784 yards which would have been considerably less without the efforts of "Big" Mike

Athletic Director SAM IANTORNO

A major part of Poly's victories are won off the field, due to the tremendous "behind the scenes" work of Athleta Director Sam tentorno. Without his leadership co-ordination of Athleta Events would be impossible. Thanks to his excellence in action, Poly's athleta prowess is carried with confidence and zea.

FOOTBALL

Blinding speed, crushing power, and a razzle-dazzle touchdown show to any student or adult who saw a Poly football game, these were the obvious comments of the exhibition.

On Friday night, December 11, 1959, the Poly High Jackrabbits met the Hawthorne High Cougars at the Los Angeles Memorial Coliseum and successfully defended their Southern California C. I. F. football championship. This marked the first time a California High School had won this Championship twice, two years in a row, and gave Poly her eighth of such Championships since the C. I. F. was formed in 1916. Led by All-Americans Willie Brown and Mike Giers, the Hares galloped their way to a 42-20 victory before 14,400 spectators.

The final game was typical of the whole season, as Coach Levy's rampaging Rabbits marched through their second undefeated year without even a smell of defeat.

Exciting victories over Paso Robles High, San Diego Union (So. Division C. I. F. Champs) and Compton marked a splendid non-league schedule. The Poly-Wilson classic proved to be the high point of the league season as the Jackrabbits downed a tough Bruin squad 35-13 before 17,600 onlookers at Vets Stadium.

The end of the season brought, not only another C.I.F. Championship but, an outstanding collection of team and ndividual awards. Heading these of course were All-Americans Willie Brown and Mike Giers. Previously, Willie was named C. I. F. player of the year. Lonzo Irvin was Poly's All C. I. F. fullback. Another interesting first came out of the Hare backfield - similar to Army's "Mr. Inside and Mr. Outside" and Notre Dame's "Four Horsemen." The Poly missile-like backfield became known as the "I.C.B M." backfield (Irwin, Crow, Brown, Martin). -

Congratulations and respect go to our football team and coaches for giving Poly another great school victory.

The excellence of this Athletics section would not have been possible without the outstanding photographs provided by the Independent-Press Telegram which have been used in many of the sports activity layouts.

Harry J. Moore, founder of the Moore League, and Coach Dave Levy proudly hold a well-earned C. I. F. Football Trophy.

BASKETBALL

A successful basketball season brought Poly her second consecutive major sport C./J. F. title of the 1959-1960 year, another sports first for a California high school.

The 1960 edition of the Jackrabbit Versity Basketball Team was unique in that the Hares were far from the 'top pick' for the Moore League title, much less the coveted CIF crown.

Through the persistence of Head Coach Bill Mulligan, Poly was able to fight back from a league-opening loss to rival Wilson to win 14 straight and the title four weeks later at Los Angeles State College.

Seniors Tom Sisk, Mark Reichner, and Willie Brown guided the Rabbits with pinpoint shooting, while juniors B. J. Evans and Leddy Baker lead the rebounding department.

The Hares entered the CIF playoffs even though they hadn't won a tournament, had lost four preseason games, and had just a 7-1 record in league

The Rabbits first round playoff dual with San Bernardino was a victory. But hopes for the same against invading Helix were meager. Most 'experts' were heralding the San Diego stars as the 'team to beat' for the title.

Poly entered the game as the underdog, but in the course of the game they changed everyone's mind. Our fighting cage stars edged the Highlanders 50-48 in the tightest fought game of the year.

From this point on, the Heres were the pick. Only San Diego Hoover rated the slightest chance, but they were knocked off in the quarter-finals by Anaheim.

Six foot, four-inch guard Tommie Sisk spearheaded the major offensive damage with his 21.3 points-per-game average. The local paper, the Independent-Press Telegram named Sisk the All-City Player of the Year. But, without the tremendous efforts of the remaining four, plus the depth of the Hare bench, victory would have been impossible.

TRACK

Track, of all spring sports, reigns supreme at Poly. The Hares have consistently captured the Moore League Crown for the past several years, and this year were the defending state track champions.

Lacking the depth of last year's team, the Rabbits are still a good choice to repeat winning the crown.

Guiding Poly's hopes are distance man Dave Schinnerer, hurdler Steve Cortright, and dash men Kelton Reese and Bill Simril.

Schinnerer's time of 1:55.0 (880) and Cortwright's time of 18.8 in the low hurdles and 14.0 in the highs were each tops in the nation.

Poly's bevy of sprinters is headed by senior Kelton Reese, who sports best times of 9.8, 20.8 and 50.4 in 100, 220, and 440 respectively. Next is Bill Simril who boasts times of 9.9 and 21.0 in both sprints. Finally is Monte Rubick who has a 10 flat century and 21.5 (220).

At the Bellflower Relays, April 16, the Hares made their finest showing of the year. Poly's Sprint Medley Relay team of Kelton Reese, Bill Simril, Willie Martin, and Dave Schinnerer broke the National Record with a blistering mark of 3.29,0.

The two outstanding meets of the year pitted the Hares against the outstanding cinder teams of L. A. Jefferson and L. A. Jordan. The Jefferson meet was a replica of last year's clash as the Jackrabbits lost by one point in the last event, the Pole Vault.

Againt L.A. Jordan two of Southern California's best prep sprinters met on the Hare track, Hubie Watson, Jordan's 9.5 sprinter ran against Poly's best, Kelton Reese.

Poly's perpetual strong point has been its half mile relay team. For the past 3 years they have won the State title in this event. The relay consisting of Bill Simril, Monte Rubick, Willie Martin, and Kelton Reese have one of the best times in the nation at 1 28 8.

Poly's Bee and Cee teams have made exceptional showings also. Pole vaulter John Champion, hurdler Theo Jacobs, and broad jumper Charles Howard have been consistent point getters

Many thanks to Poly's ovalmen for retaining our Moore League Championship.

Willie Martin, star quarter-miler, strains for tape in victorious 440 during Wilson dual meet. Willie entered CIF finals undefeated and was a member of the Nat's record breaking sprint medley relay team. Billy Simril, a 2 year Varsity letterman, pushes into a close second behind Martin with a biazing time of 51.3.

"Jackrabbit Harriers," became a feared name among al schools that competed against the Poly High Cross Country team in this, the greatest year for athletics in the history of Long Beach Polytechnic High Schoo

Paced by such stalwarts as Dave Schinnerer, Ron Lemon, and Robin Fraser, the school of the "Green and God" experienced one of its finest seasons to date

After beating favored Millikan and highly rated Wilson the team experienced a bit of the Asian flu, and lost a nar-row decision to Downey High This forced Poly and Downey nto a first place tie at the end of the League

Much credit should be given to the fine coaching job of Leon Forman and his assistant Ed Rice for taking a good team and whipping it into chempion-ship material

Poly's Sprint Medley Relay Team — Willie Martin, Kelton Reese, Bill Simril, and Dave Schinnerer — broke the national record with a 3:29 0 at the Bellflower Relays (pirtured above left.) At the same time Poly hurdler Steve Cortright blazed off the nations best time of 14.0 and 18.8 in both hurdle races,

Poly's Cindermen Break Many Records

Kelton Reese lunges for tape comaxing a 9.8 century victory over Jay Peters and Hubre Watson of L.A. Jordan Viesturs Benkis of Poly strains for 3rd

Behind the excellent coaching of Howard Thayer, Poly High enjoyed a better-thanaverage year in Moore League swimming While our varsity was placing second in the league, the Hare Bee aquamen were taking second in CIF behind California High

Every team has its stars and three men fulfilled this roll. Doug Kastner, Riley Quayle, and Phi. Darney were a few of the many responsible for this season's fine showing Quayle's 58.7 in the 100 yard butterfly set a new CIF record.

Along with our fine water pold record, one can well appreciate Poly's fine water sports record for the year 1960

Phil Damey and Riley Quayle, two of Poly's better swimmers this past season, negotiate a racing turn in an attempt at victory in the 200 yard butterfly stroke. They ned this practice run at 59.1, an excellent timing for any race

BASEBALL

1960 marked baseball's spectacular debut as a major sport in Long Beach prep athletics. 'And, the Rabbit horsehiders lost no time in establishing themselves as "the team-to-beat"

Spearheaded by seniors Tom Sisk, Brian McCall, Willie Brown, and Bud Hollowell, the Hares were able to cut their way through the tough Moore League and enter the C. I. F. playoffs with a 6-3 record.

The Hares held a dominant hand over formidable League foes and were handed only three setbacks.

Star hurler Tom Sisk sported the league's best earned run average with a .066, while Willie Brown was the big gun at the plate with a .411 average.

This season found the Hares entering the C. I. F. playoffs for the third consecutive year. Last year the Rabbits were knocked off by underdog Santa Ana 9-4 in the second round.

The innovation of night baseball cast a new enthusiasm on competition as local nines battled under the lights. Blair Field, one of the few authorized major league fields in Southern California, became the home of Long Beach Poly Jackrabbits

Nine seniors, six juniors, and three sophomores culminated the varsity squad. Returning lettermen are Garry Poe, Gary Korsmeir, Harvey Crow, Alex Hornsby, Carl Washington, Ollie Brown, Charles Williams, Jim Welch, and Charles Weaver.

Mulling over the outcome of this year's tennis season are coaches Kermit Epperly (left, above) and Clyde Beck (right).

TENNIS

Under the toterage of coach Clyde Beck, this year's tennis team has once again proven itself as a worthy opponent for any team in the South and

Spearheaded by the excellent shotmaking of tennis aces Jerry Cromwell and Jerry Leach, the Poly varsity dumped such teams as Compton, Excels or, and arch-rival Jordan

The two Jerry's were also sent to represent Poly in the Ojai invitational Tennis Tourament and the Dudley Cup which was held in Santa Monica, California. In both of these tournaments, the Cromwell-Leach duo made an excelent showing

The solid play of Allen Robbins, Sam Smith, and Lee Spath rounded out the team and supplied the varsity with its necessary depth

Another coveted C. I. F. championship crown was gained for Poly High when our Golf Team won the cup in the C. I. F. playoffs at Brookside Park in Pasadena. Spearheaded by the excellent play of Bob Small, the school of the "Green and Gold" fielded what can be considered to be the best team in the history of the school. During the 1960 season Poly played 19 matches. Twelve of these

During the 1960 season Poly played 19 matches. Twelve of these were league play, six were practice, and the last was the CIF playoffs. The team work all of its matches including the CIF title. On their way to winning the coveted crown, the team recorded wins over Wilson, Downey, Warren, Garden Grove, Montebello, Marsingside and many others.

winning the coveted crown, the team recorded wins over Wilson, Downey, Warren, Garden Grove, Montebello, Morningside and many others. The strength of this year's team was their great depth. On any given day any one of seven men (Roger Cleveland, Mike Davis, Dave Elder, Jim Matlock, Bob Small, Terry Small, and Al Emmons) were capable of holding the number one spot on the team. Indeed the competition was so keen on the squad, that when it came time to pick the five for the CIF playoffs, three men had to play 26 holes to see who would capture the fifth spot on the team. The winner, Roger Cleveland, won over Terry Small and Al Emmons for the berth. Emmons and Small were sent to the CIF playoffs as a ternates.

The team's average for the entire season was an unbelievable 75. Their average in the playoffs was another astounding total of 76.6. When coach Sam Dimas was asked to comment on the team's success he stated, "These kids were determined to win the CIF, so, they went out and won it!"

POLY'S 1960 CIF CHAMPS GIRLS' SPORTS

The Girls Athletic Association is designed to encourage all girl students of Poly High School to participate in wholesome physical and social activities.

The purpose is to develop sportsmanship and to create and maintain interest in the different sports and activities and to encourage group participation.

The calendar of events at Poly offers a diversified program throughout the school year.

Girls may participate in volleyball, basketball, tennis, swimming, golf, bowling, softball, modern dance, badminton, and hockey. Fall semester there were playdays with Downey and Lakewood.

At another time the Executive Board for G.A.A. went to an all-city affair at Millikan which is called the "Quin School Meet." At the beginning of the semester there was a "Get Acquainted Tea" to introduce G.A.A. to the new girls at Poly.

Two other fall semester highlights were the "Poly Volley," an interclass volleyball tournament, and a "Valentine Tea" where G.A.A. members received their awards. Spring semester also saw a very busy calendar.

There were playdays with Jordan and Millikan and a Girls Athletic Federation conference held at Redondo Beach High School.

The "Bunny Bounce," an interclass basketball tournament, proved to be a tremendous success. At another time the Poly G A A, hosted the "Quin Meet" where new ideas were exchanged on sport and social activities. To climax the year, the annual G.A.A. Awards Banquet was held—
the theme was "Olympic" and proved to be a gala affair.

G.A.A. Presidents

KATHY SAITO

FAYE NAKAMURA

Girls' Athletic Association

The Girls' Executive Board is active in the many different G.A.A. activities offered through the Girls' Physical Education Department at Poly. They plan the "Poly Volley," an inter-class volleyball tournament, the "Bunny Bounce," an inter-class basketball tournament, and the "Poly Folly," a modern dance production that is composed of dancers from all the different dance classes.

G.A.A. Executive Board

Bounce the ball off these strings and not the woodwork! Tennes is a very popular sport for girls at Poly. Mrs. Leistikow is showing Shirley Polk how to line up a tennis racket so that Shirley can get the correct grip.

Swimming, a universally enjoyed sport, is a favorite of many Poly girls. Advanced Swim Club, made up of approx'mately fifty advanced swimmers, has participated in, and won numerous playdays with various high schools. Competitive and synchronized swimming were the hightights at these playdays

In February a P. T. A. swimming demonstration was put on by this group. They concluded the year by creating and practicing several complex water routines for next years water

This year the number of girls interested in bowling has become very large. There are teams of four members who bowl in league competition. Carole Halpern, Phyllis Goldberg, Doreen Berlow, and Lucy Alvarez make up this year's winning team.

The purpose of Girls' Bowling is to promote good sportsmanship and to create leisure-time interest which can be carried throughout life.

Girls Bowling

JEANNIE TATSUMI Secretary

NIKKY SAKIMOTO President KATHY SHIBA Vice-President

What a graduating class we are going to have in 1962! A ready they have shown a tremendous enthusiasm for their class and student body activities. Riding on the tide of their enthusiasm are their class president, Nikky Saximoto and Cheryl Raimer. These outstanding leaders have organized, their class activities, including the Sophomore Dance and two Hi Jinxes.

Enthusiasm for excellence played a large part in their other accomplishments also. They have placed many students on the CSF membership list this year, including their Committee of Five representative. Glen Scofield individual students who have gained recognition in the field of athletics are Charles Williams, who is outstanding in football and baseball and Vicki Van Hook, a world champion waterisk er. This is truly a class which will uphold the Poly tradition of excellence in action.

CLASS

Sparking off the year with a round of activities, the jun or class sponsored two Hi-Jinxes, a Junior Dance, and a program honoring class representatives, "Representative of the Week." This enthusiastic class, under the leadership of capable Ruby Hada and Frank Hayman, has had the initiative to look into the prospect of having a new type of class jewelry. This jewelry, which resembles the style used by most colleges, will be available to all students next year

Scholastically, the junior class has also been outstanding. On the national ITED English test, they scored in the 69th percentile, 19 points above the national median of 50. Individuals who have been outstanding this year were Steve Gilbert, who achieved a perfect score on the PSAT, Roberta Montine and Dave Starr, who represented Poly on the Independent Press Telegram's Teen Tempo Staff, and Margaret

OF 1961

Price and Dave Starr who will represent the juniors this summer at the Girl's and Boy's State Conventions

Juniors have also contributed much to our championship football and basketball teams. This year's lettermen, a number approximating fifty, will be welcomed back into training periods next year. Not to be overlooked are the outstanding junior girls. Billie Jean Moffitt, a nationally known champion tennis player, and Charles Huey, who is very active in GAA, are well known at Poly for their achievements.

Other jun ors who have contributed to a successful year were our talented singer, Roxy Chebegia, and Art Reynolds and Cliff Peterson who have entertained at several Hi Jinxes.

Poly is proud of her outstanding junior class and is looking forward to their continuing achievements when they return as seniors next year

ORGANIZATIO

Bringing together new students

And encouraging

the continuation of old friendships,

The organizations of Long Beach Poly High

Provide opportunities

for the students to

Understand one another,

Develop leadership abilities,

Participate in community improvements,

Promote lasting friendships,

And consolidate in their lives

The happiness and growth of character

which comes from

Respecting and enjoying the fellowship of others.

Foreign Exchange Students

Winning smiles from any land! Shan Hosegood from England and Ray Gastmans from Belgium are Poly's Foreign Exchange students Through their friendly and out going way we of the US have been given a greater understanding of England and Belgium

They have spent the past school year living with two American families, besides attending regular classes, and learning about the functioning of our government, they have been busy participating in numerous social and we fare activities.

Shan's activities this year include tambda Phila A F.S., Student Government, and Boehemians. This spring her outstanding art work was exhibited in the Outdoor Art Snow.

Ray participated in Situation of Government, A.F.S., Key Club, and Math and Science Team He gave his support to our Basketbal Cham pions by assisting as manager

Purchasing their A.F.S. Shares from President Linda Suly and Secretary Carol Rollo are Ray

Future Teachers of America

Demonstrating the results of excellent instruction and facilities. Barbara Mullin experiments with the world of chemicals. Poly's classrooms are arranged with full emphasis on efficiency student growth and learning brough experience."

Math and Science Team

Poly's Math and Science Team is a hard working group of boys who like to investigate and explore the fields of numbers physical award abstract reasoning. They participated in a math contest at Occidental College this year, besides winning second place in three dimensional Tic Tac Toe. Pictured above, from left to right are: B. Menzies, S. Gilbert, J. Gordon, Mr. Clark, B. Stanton, C. Jeans, R. Gastmans, Mr. Robinson, D. Maxwell, M. McConnell, D. Campbell

Third row: L. Grenz, G. Currie, G. Rollefson, D. Wof, C. Loose, M. Parker, D. Tulo

Fourth row: M. Nalevaniso, A. Greenberg, D. Bilderback

With warlike grimaces, four German warriors Jim Johnson Ron Deaton Tony Vienna, and Gary Rolletson, display the convincing garb with which they terrotized enemy Romans. "Invading" the Latin Club Banquet, German Club members to lowed their barbaric ancestors by feasting and last generally enjoying themselves.

While Ron gainfully employs his sword in defending himself from fellow barbarian Jim, Gary makes sure that Tony's throngs are securely fastened. Their outfits are authentic and obviously effective. Clever, en?

Feasting at their Annual Banquet, members of Poly's Latin Club enjoy delicacies provided at this intriguingly exotic affair. Pictured below:

An active toreign language organization under the sponsorship of Mr. Dick Sullivan Latin Club is recognized on campus as an enthusiastic and worthwhile club planning many outside activities for its membership.

Fall semester leaders Ralph Acosta, Ed Long and Ginny O'Dowd, balanced their power in directing 'Roman' affairs. During the spring term Latin Club was led by Caro Garngues and Dave Tulo.

"Increased Understanding Through Art," the American Red Cross student art show exhibited in the Hicks Gallery, was presented to the Poly student body which was fortunate enough to be one of the few schools in the United States to see it.

EEEEHK, KERBLAAM! Ready? Okay, that's just fine! Smile! Hold it! Wait — will the girl in the gray skirt put your right hand up on her shoulder, chain-gang fashion? Fine! Good! Just fine. Okay — SMILE! Hold it! Wait — Hold it! HOLD it! EDITOR'S NOTE: (It's apparent from the picture below that these campus levelies just couldn't hold it!)

Flag Detail

It's 8 23 and the bugle sounds! Across the campus students come to attention as the flag is raised. Because of the hard-working dedication of Poly's ROT.C., we enjoy an impressive ceremony each morning. Following this display of respect for our country's hag the students proceed to their first period classes where they piedge a legiance to their country and its principles. What better way could be spent in starting off each new school day when we precede our lessons with arts, and words of homage to our American symbols and its government.

Encircled in an atmosphere of galety and frivolity the students of Polytechnic High School exercise their abilities to dance, play ping pong and pool watch television, and socialize at the Hutch

Because of the varied facilities and numerous events sponsored by the Hutch the members have been provided with a recreational center where one may be entertained participate in the activities sponsored, or merely be content to converse with the congenial individuals present.

The members of this center have encountered for themselves an area of unceasing enjoyment as illustrated by the picture to the eft. It symbolizes the galety and comparability of the students as manifested in the richeerful expressions and energetic actions.

Enjoying a typical Hi Jinx with typical enthusiasm, two senior boys battle for a high-fiying ball during a volleyball game. The Hi Jinx, a recreational activity sponsored by each class, has contributed to school spirit, encouraged competition, and provided fun and entertainment for the contestants.

With emphasis on class participation, spirited volleyball teams compete for championship plaques. Refreshments and various types of dancing follow the awards presentation.

Hutch

Poly's Hutch, center of many social recreational activities in the past year, is a popular Monday, Wednesday, and Friday meeting place for many students. Hutch-sponsored dances have been popular and well attended After Poly's sports' victories, the Hutch becomes a post-game scene of celebration and tribute for our

conquering athletes

Under the leadership of fall semester president, Ruth Searcy, and spring semester president, Bill Crawford, the Hutch has presented a varied and enjoyable program for all Polyites

Teen Tavern

During the fall and spring semesters the Teen Tavern has organized and presented many activities for the benefit of its members. Presidents Carolyn Cobb and Art Reynolds, both capable leaders, have kept a steady line of dances and parties on the agenda.

A Valentine Ball, highlight of the spring semester, presented

Queen Hilda Sims to her subjects as reigning beauty "Oldies, But Goodies" night, which brought back fond memories and old records to the assembled participants, was a highly successful affair for the Teen Tavern. This Recreation Center has been an important part of Poly social life during the past year

SENIOR CLASS

Top to bottom: Ralph Ridgeway, president; Lavonne Hyden, secretary; Jim Miller, vice-president

Three years ago the class of 1960 entered Poly. It wasn't long before they proved to the student body that they would be a class which would place excellence as their goal, and would achieve it. Compared with past graduating classes they have been awarded the highest number of Gold, One-Jeweled, and Two-Jeweled L's Lixewise, there are more students who have attained membership in CSF than in any other class in Poly's history. Proving that their goal of excellence is extended through all phases of student life they have brought home an impressive total of five C F athletic championships.

The rimitative has also brought privileges such as a Senior Assembly, and an off-campus Senior Prom, the first in Poly's history. Truly, the Class of 1960 has proved that they are the epitome of excellence in action.

Shirley, well, we made it out of high school although toly was the best school in Southern California. we sure make a ball at the prom and of benow we'll have a let if fun at the all-night lance and when we go to disney land. I want to thank you for introducing me to links because elf you hadn't el wouldn't have had all the seen I had. Remember when we were at the Hawiian how the condier kept going out, and what a time we had at the clock drive in. Those were moments ell never forget and it have you to thank for that. always Formt Kunker

C. C. Les Liles The Murley Bischop The state of the s

Shirley, we've had lote of fun together since your last beach party. I hope we can do a lot more together during the summer. But let's be more careful (just a little). Keep working at getting me a bayfuind, I know you can do it. and I still want to go bowling, Really. you are real sweet and have got a personality plus. I want to wish you lote of luck. you need it for all the wild beto you make. and try to be good cause one of as has to.
